

American Juniors, You Got To Have Friends

All:

You know you got have friends
The feelings oh so strong
You got to have friends
To make that day last long
I had some friends, but they're gone
Something' came and took them away
And from the dusk 'til the dawn
Here is where I'll stay

Standing at the end of the road boys,
Waitin' for my new friends to come

Chauncey:

I don't care if I'm hungry or cold
I got to get me some of them
