

# Amerie, Hatin' On You

Nah nah oh  
Nah nah oh  
Nah nah mmmm  
Yeah yeah

It's been on my mind, on my mind  
It's just a matter of time, cause I  
No matter how hard  
How hard I try to hide  
I still be want you  
Inside, inside my arms  
And even if you said you would leave  
Cause I ain't ready, ready  
Would just give me the need  
Give me a meaning to leave  
And my heart would belong to you  
Before I would even know  
Damn if you stay  
Damned if you don't  
Cause baby I

oh oh (yeah)  
I be hatin on you  
Hatin, hatin on you  
You, you  
Every time it feels so right  
Cause of the things that you do  
Do, do (oh)  
I be hatin on you, Hatin  
Hatin on you, You  
You, you  
Hating on you, oh  
You, you, you  
Hatin on you

And I  
I don't wanna believe  
That we could live the life I'm dreaming of  
Cause I don't wanna be in love  
So I'm fightin all the tenderness  
And the moment that I can't forget  
Oh it's irrelevant  
Cause it's just a matter of time  
So baby I

Oh oh (oh, oh)  
I be hatin on you  
Hatin, hatin on you (on you, ah ah)  
You, you  
Every time it feels so right  
Cause of the things that you do  
Do, do (Every little thing that you do)  
I be hatin on you, Hatin  
Hatin on you, You  
You, you \*yeah, you, you)  
Hating on you, oh  
You, you, you  
Hatin on you (oh)

I be hatin on you  
I can't get away from you  
I can't get away  
Every little thing that you do

Every little thing that you do  
You make me wanna be so close so you  
Hating on you (oh, oh)  
Hating on you (yeah)

Why do I feel this way  
Why do I feel this way  
It's more than I can take  
It's more than I can take  
But I ain't ready for this love  
No, no  
But you're all I'm thinking of

And I  
I'm just tryna live, live everyday  
Like everything's so cool  
But I ain't a fool  
Cause it really don't take too much  
One look  
One touch  
And baby I'm through  
I'm though  
I'm hating on you

Oh oh  
I be hatin on you (yeah yeah)  
Hatin, hatin on you  
You, you (oh)  
Every time it feels so right (you make me)  
Cause of the things that you do  
Do, do (you make me)  
I be hatin on you, Hatin  
Hatin on you, you  
You, you  
Hating on you, oh  
You, you, you (I be hating on you)  
Hatin on you

Oh oh  
I be hatin on you  
Hatin, hatin on you  
You, you  
Every time it feels so right  
Cause of the things that you do  
Do, do  
I be hatin on you, Hatin  
Hatin on you, you  
You, you  
Hating on you, oh  
You, you, you  
Hatin on you
