

# Amesha, I'll Be There

Don't you know, my friend  
This is how it's gonna be  
But I'll be there for you

Are we strangers tonight?  
Here, now  
Now we're feeling surrounded  
It's already begun

Are you dreaming of me?  
You know, you'll never be lonely  
You know how I feel

Oh, see the water closing in  
Around you  
You can hide with me tonight

We can find a safer place  
I've found you  
We can lose them on the run  
(On the run)

I'll be there  
Whatever you want  
Whatever you seek  
Take what you need, yeah

I'll be there  
(I'll be there)  
Whatever you want  
Whatever you seek  
Take what you need

I can see it in your eyes  
(In your eyes)  
Now the doubt is upon you  
And the damage is done  
(Damage is done)

Are we strangers tonight?  
Here, now  
Now we're feeling surrounded  
You know how I feel

Oh, see the water closing in  
Around you  
You can hide with me tonight  
You can hide with me tonight

We can find a safer place  
I've found you  
We can lose them on the run  
We're on the run

I'll be there  
(I'll be there for you)  
Whatever you want  
Whatever you seek  
Take what you need, yeah

I'll be there  
Whatever you want  
Whatever you seek  
Take what you need

Whatever you want  
Take what you need
