

# AmetriA, My Way

To be open to tolerance  
To open one's mind  
To punish all the criminals  
Right now...!!! Right now...!!!  
I feel again  
Life is my pain  
My freedom is a nest  
I forget the rest  
My life, my mind, my dreams  
Nobody will change my way  
I feel, I think, I see  
Where the fuck are you?  
...fucking far away  
I can't believe  
I can't believe
