

Amie Comeaux, Takin' It Back

I did my best to hold onto
My promise of forever
Well you don't even care
About the "I love you" I whispered

So I'm takin' it back
Takin' it back
I'm tired of your lies
And I caught your act
You don't get Jill
When you don't give Jack
You broke my heart
Now I'm takin' it back

I held my arms wide open for you
When you needed shelter
Now you've gone and done me wrong
You hit the hand that held you

So I'm takin' it back
Takin' it back
I'm tired of your lies
And I caught your act
You don't get Jill

When you don't give Jack
You broke my heart
Now I'm takin' it back

Love must be
A two-way street
Or I don't want it
I won't stay on it
It ain't the road for me

Someday you'll know what you had
When you come to your senses
But you can't have my love again
Unless you're reminiscing

So I'm takin' it back
Takin' it back
I'm tired of your lies
And I caught your act
You don't get Jill
When you don't give Jack
You broke my heart
Now I'm takin' it back
