

# Amila Zazu, Bad boy

looking at his way  
hes got that thing I like  
feel chills all down my spine  
my will says get him  
he beats the other guys  
cause hes got what it takes  
its him I want tonight  
Im one track minded  
my hips set out to move  
and all I want is dance  
youll find me on the floor  
my bodys on fire  
why dont you come along  
its just a few steps to take  
you know you make me high  
Im so into you

REFREN:

hey babe  
dont keep me waiting  
(dont keep me waiting boy)  
hey  
you drive me crazy  
Im out of my mind  
dont keep me waiting  
Im out of my mind  
looks like a little boy  
but you would be surprised  
how bad the boy can be  
thats what excites me  
hes wanted by the girls  
but doesnt even care  
hes bored with teenage plays  
he keeps me thirsty  
hes got hes eyes on me  
thats what I waited for  
and Im in ecstasy  
the game is on now  
they tell me watch that guy  
he doesnt look for love  
boy go and bleed me dry  
dont make me say it twice

REFREN:

hey babe  
dont keep me waiting  
(dont keep me waiting boy)  
hey

Im out of my mind
