

Amna, Tell Me Why

Please tell me why you said goodbye
And then you come back to me to love me high
Please tell me why
Tell me why
Please tell me why you said goodbye
And then you come back to me to love me high
Please tell me why
Tell me why
Now when I saw you first time
You got into my mind
Baby I want you to know
With every thing I see
With every word I say
I love you more and more every day
Now tell me why
You said goodbye
Now tell me why
You said goodbye
Now tell me why
You said goodbye
Now tell me why
You said goodbye
Please tell me why you said goodbye
And then you come back to me to love me high
Please tell me why
Tell me why
Please tell me why you said goodbye
And then you come back to me to love me high
Please tell me why
Tell me why
Now when I saw you first time
You got into my mind
Baby I want you to know
With every thing I see
With every word I say
I love you more and more every day
Now tell me why
You said goodbye
Now tell me why
You said goodbye
Now tell me why
You said goodbye
Now tell me why
You said goodbye
Please tell me why you said goodbye
And then you come back to me to love me high
Please tell me why
Tell me why
Please tell me why you said goodbye
And then you come back to me to love me high
Please tell me why
Tell me why
