

# Amon Amarth, Sabbath Bloody Sabbath

Youve seen life through distorted eyes  
You know you had to learn  
The execution of your mind  
You really had to turn  
The race is run the book is read  
The end begins to show  
The truth is out, the lies are old  
But you dont want to know

Nobody will ever let you know  
When you ask the reasons why  
They just tell you that youre on your own  
Fill your head all full of lies

The people who have crippled you  
You want to see them burn  
The gates of life have closed on you  
And now theres just no return  
Youre wishing that the hands of doom  
Could take your mind away  
And you dont care if you dont see again  
The light of day

Nobody will ever let you know  
When you ask the reasons why  
They just tell you that youre on your own  
Fill your head all full of lies

Where can you run to  
What more can you do  
No more tomorrow  
Life is killing you  
Dreams turn to nightmares  
Heaven turns to hell  
Burned out confusion  
Nothing more to tell

Everything around you  
Whats it coming to  
God knows as your dog knows  
Bog blast all of you  
Sabbath bloody sabbath  
Nothing more to do  
Living just for dying  
Dying just for you
