## Amorosi Vanessa, Turn To Me

Turn To Me
Turn To Me
Turn to me, Burning me, Turn to me, Burning me
From all the taking down,
To the driving far away.
As if we're lost and found,
Removing us everyday yeah.

Pushing things too far, Or never moving it along. Forgiving and forget, Only makes one person strong. Hoping and finding, resisting, denying, Hey, with your classic words of

Turn to me, that's what you say
When you're burning me, that's what you do
When you turn to me, need more days
And the time to turn you off.
Turn to me, that's what you say
When you're burning me, that's what you do
When you turn to me, need more days
And the time to turn you off.

There's no familiar face, or a hand to cling upon, We've walked a short distance, but it took so very long. Hoping and fighting, resisting, denying, With your classic words of

Turn to me, that's what you say
When you're burning me that's what you do
When you turn to me, need more days
And the time to turn you off.

Knowing that we'll jump a little too high to live Knowing that it's safe, but not safe enogh to give. Your heart, your dream, no give, no recieve, Respect, believe, turn to me.

Turn to me, burning me Turn to me, time to turn you off, Burning, me, turn to me, resisting, denying.

Turn to me, that's what you say
When you're burning me, that's what you do
When you turn to me, need more days
And the time to turn you off.
Turn to me, that's what you say
When you're burning me, that's what you do
When you turn to me, need more days
And the time to turn you off.

Oh why don't you, why don't you, why don't you, why don't you turn to me baby, time to turn you off,
Turning me not burning me, turning me not burning me, now turning me not

burning me, yeahhhhhh.

Turning me, oh burning me now na-ba-dupa-ba-dupa-ba-dupa yeahhhhhh

Turn me, oh burning me, why don't you burn me yeahhhhh Turn to me, that's what you say When you're burning me, that's what you do, When you turn to me, need more days And the time to turn you off. Turn to me, that's what you say, When you're burning me, that's what you do, When you turn to me, need more days And the time to turn you off!!
