

# Amos, Memories

To sleep  
Without the fear to dream  
TO dream about you, my friend  
To try  
To forget the past  
Dark past for me, for you  
The time  
Will soon erase my pain  
The pain of the sudden loss  
But you will always be  
In my memories in my heart  
I remember your eyes  
Looking to this word with love  
I remember your face  
Cheerful and hopeful  
I miss you...  
I miss you, my friend...  
I hope to see you soon  
Soon we will be together again
