Words By: Tori  
Music By: Tori and Brad Cobb

Make It In  
The City  
Do What You Can  
Wave To The Boy  
With A Gun  
In His Hand

Lollipop Girls  
Pave The Street  
Stand In Line  
To Be  
In Your Limousine

You Took My Love  
You Took My Money  
You Took My Sex  
Took My Love  
Took My Money  
Give me

CHORUS:  
Fayth  
Help Me Keep  
Myself Together  
With A Little More  
Fayth  
With A Little More  
Fayth Yeah  
Fayth  
I Could Keep  
Our Love Together  
With A Little More  
Fayth  
I Could Wake Up  
And Face The Day

How Do You Keep  
The Romance There  
When A Little  
French Maid  
Lives Downstairs

Radio Blasts  
As The Baby Cries  
Run To The Dragon That  
Runs my Life

You Took My Love  
You Took My Money  
You Took My Sex  
Took My Love  
Took My Money  
Give me

REPEAT CHORUS

I Could Wake Up  
And Face The Day

Maybe I Could  
Start Again  
Why Am I Afraid  
Of Change  
Maybe Fayth  
Could Understand  
Darlin' I Remember  
When  
I Held The Violets  
In My Hand  
Love Can Crush  
Held Too Tight  
We Could Bring  
It Back Alive  
With A Little More  
Fayth

REPEAT CHORUS
