## Amos Tori, Real Men

Amos Tori Strange Little Girls Real Men (Jackson) Joe Jackson - from Night And Day (1982)

Take your mind back - I dont know when Sometime when it always seemed To be just us and them Girls that wore pink And boys that wore blue Boys that always grew up better men Than me and you Whats a man now - whats a man mean Is he rough or is he rugged Is he cultural and clean Now its all change - its got to change more Cause we think its getting better But nobodys really sure And so it goes - go round again But now and then we wonder who the real men are See the nice boys - dancing in pairs Golden earring golden tan Blow-wave in the hair Sure theyre all straight - straight as a line All the gays are macho Cant you see their leather shine You dont want to sound dumb - dont want to offend So dont call me a faggot Not unless you are a friend Then if youre tall and handsome and strong You can wear the uniform and I could play along And so it goes - go round again But now and then we wonder who the real men are Time to get scared - time to change plan Dont know how to treat a lady Dont know how to be a man Time to admit - what you call defeat Cause theres women running past you now And you just drag your feet Man makes a gun - man goes to war Man can kill and man can drink And man can take a whore Kill all the blacks - kill all the reds And if theres war between the sexes Then therell be no people left And so it goes - go round again But now and then we wonder who the real men are
