

Ampop, Fairy Tale

Eternity, I agree I wanted it all
Just as before I came for more
to see the whore
Insanity, it's me who you're waiting for

I know I've been bad
but we both made things sad
How the world has failed
everything for sale
a fairy tale

Who?s in church
begging for things
that will not happen?
The world is set
a marketing bet
I've no regrets

How the world has failed
everything for sale
a fairy tale
