

Ampop, Precious

It's precious to me
It's precious to me

I can't stand it
I can't be without it

It's the only thing I want
It's the only thing I see

I'm addicted
To it

I just can't help it
I can't be without it

It's the only thing I want
It's the only thing I need
It's the only thing I want
It's the only thing I see
(Repeat x2)
