

Ampop, Psychic

Sight, she enters the night
with pride and joy
She filled into the gap
which I lay in trapped

Since I want it to be like this
I want you to see
I want you to see the same things
I always see

I never ask
because I know it
before it happens
The sun will never shine
without you and all your power

I want you to be like me
I want you to see
Inside of my feelings
I want you to heal me
