

# Amr Diab, Amarain (Two Moons)

are these 2 moons or your eyes?  
my heart asks about you  
you see me thinking about you  
maybe i am in love  
i swear this was not on my mind  
oh love  
from the love  
oh love  
it is filling my nights  
oh my life  
all my life  
i have given myself to her  
and her eyes have told me something  
i am becoming infatuated with you my precious  
and me  
what has happened to me?  
that i now melt in your love  
why is it you whom i love?  
how and when did you make me  
so infatuated with you?
