Amr Diab, Amarain (Two Moons)

are these 2 moons or your eyes? my heart asks about you you see me thinking about you maybe i am in love i swear this was not on my mind oh love from the love oh love it is filling my nights oh my life all my life i have given myself to her and her eyes have told me something i am becoming infatuated with you my precious and me what has happened to me? that i now melt in your love why is it you whom i love? how and when did you make me so infatuated with you?
