

# Amy Arena, Make Love To Myself

I wanna make love to myself  
I don't need anybody else  
I'm happy with just myself  
I'm my own person  
I'm in love with myself

I wanna make love to myself  
Just me, nobody else  
I wanna give Godiva and orchids and furs and sapphires to myself  
I wanna buy expensive meals  
With champagne and Chateau Le Fei for myself  
I wanna hire a chauffeur for just myself  
I wanna go dancing with myself  
And nobody else  
I wanna date only myself  
'Cause I'm in love with myself

I wanna make love to myself...

I wanna make love to myself  
I wanna propose to myself  
I wanna marry myself  
And at the wedding I wanna kiss myself  
I wanna put the ring on my finger by myself  
And I wanna go on a honeymoon with myself  
I wanna walk down a beautiful white sandy beach all by myself  
I don't need anybody else  
'Cause I'm in love with myself and only myself

I wanna make love to myself...

I wanna make love to myself  
I wanna experience ecstasy with myself  
I wanna lose my virginity to myself  
I don't need anybody else  
I don't need anybody's help  
Thank you very much!

I wanna orgasm with myself  
I wanna be naked with myself  
'Cause I'm in love with myself  
And I wanna make love to myself  
I love myself more and more everyday

Tonight's the night- I wanna make love to myself  
I wanna put on sexy lingerie for myself  
I wanna get under the covers for myself  
And think sexy thoughts while I wait for myself

I wanna turn out the lights for myself  
I wanna hold myself tight and kiss my ass by myself  
I wanna pack my own behind and suck my face by myself  
Tonight's the night- I wanna make love to myself  
Because I'm in love with myself

I wanna make love to myself  
After I'm through I wanna make love to you!  
Then I'll be ready to make love to you  
After I'm exhausted I'll be ready to make love to you  
But first I wanna make love to myself!  
That's how love is!
