Yours

Yours for the taking
Take me in your arms
I wanna hold you
Unafraid of who you are
Deep salt sea
Come inside me
Dark elm tree
Cover me
Yours for the taking
Soft surrendered might
Your breath awakes me
In the dead of the night
Deep salt sea
Come inside me
Dark elm tree
Cover me
Yours for the taking
Take me as I am
All heaven shaking
In your quiet hand
Deep salt sea
Come inside me
Dark elm tree
Cover me
Darling please
