

Amy Diamond, Don't Lose Any Sleep Over You

I won't cry a river
I won't set out to fail
No doubt I can do without
Your wind beneath my sails

Yes Sir, I bet you were
Quick to count me out

But I'm not losing
Any sleep over you now
I said I'm not losing
Any sleep over you now

First round, shake the ground
I'm still standing
Stomp and kick 'til your shoes don't fit
I'm still standing
I made my way through the bitter nights
I'm letting go
I'm turning out the lights, yeah

Oohh...

You keep pointing fingers
Pulling silly pranks
It don't hurt so in other words
Thanks but no thanks

So long, I'm moving on
I'm walking on a cloud

But I'm not losing
Any sleep over you now
I said I'm not losing
Any sleep over you now

First round, shake the ground
I'm still standing
Stomp and kick 'til your shoes don't fit
I'm still standing
I made my way through the bitter nights
I'm letting go
I'm turning out the lights, yeah

Cause I don't (I don't), don't lose (don't lose)
Lose any sleep over you
I don't (I don't), don't lose (don't lose)
Lose any sleep over you
I don't (I don't), don't lose (don't lose)
Lose any sleep over you
I don't (I don't), don't lose (don't lose)
Lose any sleep over you

First round, shake the ground
I'm still standing
Stomp and kick 'til your shoes don't fit
I'm still standing
I made my way through the bitter nights
I'm letting go
I'm turning out the lights, yeah

Cause I don't (I don't), don't lose (don't lose)
Lose any sleep over you
I don't (I don't), don't lose (don't lose)

Lose any sleep over you
I don't (I don't), don't lose (don't lose)
Lose any sleep over you
I don't (I don't), don't lose (don't lose)
Lose any sleep over you
