

# Amy Diamond, Heartbeats

1. I can't think about  
is it meant to be this way  
easy words, so hard to say  
i can't live without  
knowing how you feel  
know if this is real  
Tell me am i mistaken  
cause i don't have another heart for breaking  
ref. please don't let me go  
i just wanna stay  
can't you feel my heartbeats  
giving me away  
i just wanna know if you too feel afraid  
i can't feel your heartbeats giving you away  
giving us away

2. i can't understand  
how it's making sense  
for we put up such defence  
when all you need to know  
no matter what you do  
i'm just as scread as you  
Tell me am i mistaken  
cause i don't have another heart for breaking  
ref. please don't let me go  
i just wanna stay  
can't you feel my heartbeats  
giving me away  
i just wanna know if you too feel afraid  
i can't feel your heartbeats giving you away  
giving us away x2
