

# Amy Grant, Angels

(Brown Bannister, Gary Chapman, Amy Grant, Michael W. Smith)

"Take this man to prison," the man heard Herod say  
And then four squads of soldiers came and carried him away  
Chained up between two watchmen, Peter tried to sleep  
But beyond the walls an endless prayer was lifting for his keep  
Then a light cut through the darkness of a lonely prison cell  
And the chains that bound the man of God just opened up and fell  
And running to his people before the break of day  
There was only one thing on his mind, only one thing to say

[Chorus:]

Angels watching over me every move I make  
Angels watching over me  
Angels watching over me every step I take  
Angels watching over me

God only knows the times my life was threatened just today  
A reckless car ran out of gas before it ran my way  
Near misses all around me, accidents unknown  
Though I never see with human eyes the hands that lead me home  
God, I know they're all around me all day and through the night  
When the enemy is closing in I know sometimes they fight  
To keep my feet from falling I'll never turn away  
If you're asking what's protecting me then you're gonna hear me say

[Chorus 2x]

Angels watching over me  
Angels watching over me  
Angels watching over me  
Angels watching over me  
Though I never see with human eyes the hands that lead me home
