

Amy Grant, Highly Favoured

Who I have become in You
Is grace beyond all measure
In the light of all You are
Who am I to be found here?
Who I have become in You
Is grace beyond all measure
Raised to life and crowned with love
Jesus, Yours forever
Majesty and mercy
Meet me in this moment
How can it be that I have been
Chosen by the King?
There's no greater honor
There's no greater treasure
Than to be known and loved by You
I am highly favored, I am highly favored
A child of grace I have become
Adopted into favor
Now I sing Your Spirit's song
Crying, "Abba Father"
Majesty and mercy
Meet me in this moment
How can it be that I have been
Chosen by the King?
There's no greater honor
There's no greater treasure
Than to be known and loved by You
I am highly favored, I am highly favored
Yesu Atwagala
Yesu Atwagala
Tukisinza
Tukutenda
Majesty and mercy
Meet me in this moment
How can it be that I have been
Chosen by the King?
There's no greater honor
There's no greater treasure
Than to be known and loved by You
I am highly favored, I am highly favored
Who I have become in You
Who I have become in You
Who I have become in You
Who I have become in You
I am highly favored
I am highly favored
I am highly favored
Who I have become in You?
I am highly favored
