

Amy Grant & Vince Gill, House Of Love (LP Version)

Well, I bet you any amount of money
He'll be coming back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
Ooh, house of love
You've been up all night, thinking it was over
He's been out of sight, at least for the moment
But when something this strong, ooh, gets a hold on you
The odds are ninety-nine to one, it's got a hold on him too
Well, I bet you any amount of money
He'll be coming back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
When the lights are coming on in the house of love
Now when the house is dark and you're all alone inside
You've gotta listen to your heart and put away your foolish pride
Though the storm is breaking and thunder shakes the walls
Love with a firm foundation ain't never, never, never gonna fall
Well, I bet you any amount of money
He'll be coming back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
Though the storm is breaking and thunder shakes the walls
Love with a firm foundation ain't never, never, never gonna fall
Well, I bet you any amount of money
He'll come back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming, lights are coming on
Well, I bet you any amount of money, baby
He'll be coming back to you, back to you, back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love, ooh, yeah
Ooh, I know there ain't no doubt about it
Sometimes life is funny
You think you're in your darkest hour
When the lights are coming on in the house of love
