

Amy Holland, How Do I Survive

I'm not strong enough
Just to smile and make things easy
I can't put on that brave face anymore
I always took it for granted
That I could take whatever you gave me
I guess you never really know for sure
'Cause there was never a doubt in mind
How it was meant to be
So who do I turn to darlin', if you should leave me
How do I survive if you break my heart?
How do I survive if you break my heart?
I've got no excuses for being your fool
I never thought that it would be forever
But after so much time together
I've come to depend on you
What else am I supposed to do?
'Cause there was never a doubt in mind
It wouldn't be easy
But I never realized how much you mean to me
How do I survive if you break my heart?
How do I survive if you break my heart?
But there was never a doubt in mind
How it was meant to be
So who do I turn to darlin', if you should leave me
How do I survive if you break my heart?
(How do I survive?)
How do I survive if you break my heart?
(If you break my heart?)
How do I survive if you break my heart?
(How do I survive?)
How do I survive if you break my heart?
(If you break my heart?)
How do I survive if you break my heart?
(How do I survive?)
How do I survive if you break my heart?
(If you break my heart?)
