

Amy Macdonald, Give It All Up

I believe in everything I see
I believe you do the best for me
It's not a lot
It's all I've got
I believe that the day will come
When you see that you're the only one
And the rain will fall from the sky
This is goodbye
Is there anyone you can call
Have you got nobody left at all
Your map's against the wall
Is there no place else you'd rather be
Did you give it all up just for me
I'm sorry if you got me wrong
I forgive you in a song
I wish that I could soar in the sky
I wish that I could fly, fly, fly
I say goodbye to my mother and bye to my dad
You're all I have
Is there anyone you can call
Have you got nobody left at all
Your map's against the wall
Is there no place else you'd rather be
Did you give it all up just for me
Is there no place else you'd rather be
Did you give it all up just for me
