

# Amy Macdonald, What is love

I woke up this morning had nothing to do  
I tried to call you but I couldn't get through  
Oh man what's a girl to do, I'm totally lost without you  
A Bell was ringing inside my head and if it wasn't for you I'd have wound up dead  
But now I'm officially wrong in the head, I'm totally lost without you  
And your dancing along not knowing the songs  
And if that's not a fan what is  
And your telling the kids in the street not to swear  
And if that's not a man what is  
And your girlfriends at home she's all alone  
And if that's not love what is  
What is love, what is love, what is love  
I went to bed I was on my own  
I don't even know where I'm coming from  
Now I'm leaving all alone  
I'm totally lost without you  
I left last night with an aching head  
And I couldn't sleep so I cried instead  
Forever sleeping in an empty bed  
Still totally lost without you
