

Amy McDonald, Run

Will you tell me when the lights are fading
Cos I cant see I cant see no more
Will you tell me when the song stops playing
Cos I cant hear I cant hear no more
She said I dont know what youre living for
She said I dont know what youre living for at all
He said I dont know what youre living for
He said I dont know what youre living for at all
But I will run until my feet no longer run no more
And I will kiss until my lips no longer feel no more
And I will love until my heart it aches
And I will love until my heart it breaks
And I will love until there's nothing more to live for.
Will you tell me when the fightings over
Cos I cant take I cant take no more
Will you tell me when the day is done
Cos I cant run I cant run no more
She said I dont know what you did it for
She said I dont know what you did it for at all
He said I dont know what you did it for
He said I dont know what you did it for at all
But I will run until my feet no longer run no more
And I will kiss until my lips no longer feel no more
And I will love until my heart it aches
And I will love until my heart it breaks
And I will love until there's nothing more to live for.
And I will love until my heart it aches
And I will love until my heart it breaks
And I will love until there's nothing more to live for
