Amy McDonald, Run

Will you tell me when the lights are fading Cos I cant see I cant see no more Will you tell me when the song stops playing Cos I cant hear I cant hear no more She said I dont know what youre living for She said I dont know what youre living for at all He said I dont know what youre living for He said I dont know what youre living for at all But I will run until my feet no longer run no more And I will kiss until my lips no longer feel no more And I will love until my heart it aches And I will love until my heart it breaks And I will love until there's nothing more to live for. Will you tell me when the fightings over Cos I cant take I cant take no more Will you tell me when the day is done Cos I cant run I cant run no more She said I dont know what you did it for She said I dont know what you did it for at all He said I dont know what you did it for He said I dont know what you did it for at all But I will run until my feet no longer run no more And I will kiss until my lips no longer feel no more And I will love until my heart it aches And I will love until my heart it breaks And I will love until there's nothing more to live for. And I will love until my heart it aches And I will love until my heart it breaks And I will love until there's nothing more to live for
