

Amy Ray, Lazyboy

If a tree falls, well, you're not gone
At least for me, I didn't hear
It's a long break and some time away
With some things to repair

And it's a lazyboy, and a big mistake
Going 'round
And a funny stare and your beauty shop hair
Coming down

Joyful, joyful but not feeling it at all
And there's some things that don't mend
Squander the days in a wrongful haze
To distract and suspend

And it's a lazyboy, and a big mistake
Going 'round
And a funny stare and your beauty shop hair
Coming down

And it's a lazyboy, and a big mistake
Going 'round
And a funny stare and your beauty shop hair
Coming down
