

Amy Studt, I'm Just A Little Girl

"

sometimes I feel youre not listening
sometimes I feel you dont understand
but I think Ive got the answer
already know what youre gonna say
chorus:

cause Im just a little girl you see
but theres a hell of a lot more to me
dont ever underestimate what I can do
dont ever tell me how Im meant to be
you say Im just a little girl, just a little girl
how can I compare? What do I know?
what have I got to share?
but theres nothing in this world, nothing in this world
that could hold me down, cant you hear me?
dont you understand
that I wanna be myself, wanna be the girl,
wanna be the one that you can rely on
how I wish that you could see all there is of me
how I long to hear that you take me
for who I am

chorus x2

sometimes I feel youre not listening
sometimes I feel you dont understand
