

# Amy Studt, I'm Just A Little Girl

&quot;

sometimes I feel youre not listening  
sometimes I feel you dont understand  
but I think Ive got the answer  
already know what youre gonna say

chorus:

cause Im just a little girl you see  
but theres a hell of a lot more to me  
dont ever underestimate what I can do  
dont ever tell me how Im meant to be  
you say Im just a little girl, just a little girl  
how can I compare? What do I know?  
what have I got to share?

but theres nothing in this world, nothing in this world  
that could hold me down, cant you hear me?

dont you understand

that I wanna be myself, wanna be the girl,  
wanna be the one that you can rely on  
how I wish that you could see all there is of me  
how I long to hear that you take me  
for who I am

chorus x2

sometimes I feel youre not listening  
sometimes I feel you dont understand

chorus x2
