

Amy Studt, You're Gonna Be Fine

constantly finding ways to fill the empty space
But still it seems that nothing touches you anymore
And your not really sure which way to turn
If you feel sadness sweep you off your feet
Dont hold in the things that you feel
And dont be ashamed of who you are
And dont be afraid to stand your ground

x2

Cause at the end of the day
Your one step closer to finding your way
And although you might think your out of time
Your gunna be fine

You should know
That things arent always as they seem
So why still swim
In the depths of the tide thats pullin you in
That makes you think your life has been a waste of time
Leave the shade
And step out into the galre
Peace of mind awaits you there
And dont be afraid to stand your ground
And dont be ashamed of who you are

Chorus x2

Never had the help to find your way
Theres nothing you could do or could say
You have to find your own mistakes to make
Just look inside of you
your gunna make your own way through
yea

Chorus x2
