

Amy Winehouse, Get Ready

I'm flashing
me crowd loves me
F**k Me up for this amazing situation.
How come your lonely
come to me and you won't be
Get ready for our pipes
Your rotten and old
i'm over you
Your a f**kin' tatter
Boring and seen
In the house
Big brother tv 'amazing'
Get ready for me
I'm flashing
me crowd loves me
F**k Me up for this amazing situation.
How come your lonely
come to me and you won't be
Get ready for our pipes
Your rotten and old
i'm over you
Your a f**kin' tatter
Boring and seen
In the house
