

Amy Winehouse, He Can Only Hold Her (Edited)

He can only hold her for so long
The lights are on but no one's home
She's so vacant, her soul is taken
He thinks what's he running from
Now how can he have her heart
When it got stole
So he tries to pacify her
'Cause what's inside her never dies
Even if she's content in his warmth
She is played with urgency
Searching kisses, the miss misses
The man that he longs to be
Now how can he have her heart
When it got stole
So he tries to pacify her
'Cause what's inside her never dies
So he tries to pacify her
'Cause what's inside her, it never dies
So he tries to pacify her
'Cause what's inside her never dies
