

# Amy Winehouse, He Can Only Hold Her (Edited)

He can only hold her for so long  
The lights are on but no one's home  
She's so vacant, her soul is taken  
He thinks what's he running from  
Now how can he have her heart  
When it got stole  
So he tries to pacify her  
'Cause what's inside her never dies  
Even if she's content in his warmth  
She is played with urgency  
Searching kisses, the miss misses  
The man that he longs to be  
Now how can he have her heart  
When it got stole  
So he tries to pacify her  
'Cause what's inside her never dies  
So he tries to pacify her  
'Cause what's inside her, it never dies  
So he tries to pacify her  
'Cause what's inside her never dies
