So am I insane or do I really see heaven in your eyes? Bright as stars that shine up above you In the clear blue sky, how I worry bout you Just can't live my life without you Baby come here, don't have no fear Oh, is there wonder why I'm really feeling in the mood for love

So tell me why, stop to think about this weather, my dear This little dream might fade away There I go talking out of my head again baby won't you come and put our two hearts together That would make me strong and brave Oh, when we are one, I'm not afraid, I'm not afraid If there's a cloud up above us Go on and let in rain I'm sure our love together would endure a hurricane Oh my baby won't you please let me love you and get a release from this awful misery

What is all this talk about loving me, my sweet I am not afraid, not anymore, not like before Don't you understand me, now baby please Pull yourself together, do it very soon My heart's on fire, come on and take I'll be what you make me, my darling

Oh baby, you make me feel so good Let me take you by the hand Come let us visit out there In that new promised land

Maybe there we can find A good place to keep a lovin' state of mind I'm so tired of being without it And never knew what love was all about James Moody would you come on hit me, you can blow now if you want to, Im through
