

# Amy Winehouse, My Own Way

I never been in love before  
such a foolish thing to be  
seems to me the price is high  
so I'll keep my own company  
and I'll do what I want  
when I feel

watch them fall so easily  
temporary insanity  
some say that true love is blind  
me I like to clarify  
while I  
I just take  
my own time  
And I

I'll go my own way  
I walk when I wanna  
talk talk when I wanna  
finding my own way  
I walk when I wanna talk talk  
When I wanna

seem s to be illogical  
love that's unconditional  
give your heart to someone else  
but save a little for your self  
that's why I'm  
I'm talking my own time  
and

I'll go my own way  
I walk when I wanna  
talk talk when I wanna  
finding my own way  
I walk when I wanna talk talk  
When I wanna

Don't get me wrong  
it's kinda cynical  
but it scares through  
so I;m careful with my heart  
it's the only on ei got  
I cannot  
commit to that shot

I'll talk when I wanna  
finding my own way  
I walk whey I wanna  
I'll go my own way  
I walk when I wanna  
talk talk when I wanna  
finding my own way  
I walk when I wanna talk talk  
When I wanna
