

Amyth, Tender Love

Here I lay all alone, toss and turning
Longing for some of your tender love
I'm waiting for the right moment to come
So I can thank you for all the tender love you've given to me
Tender love, love so tender
Holding me close to you, lady I surrender
Candles they light the dark, now I see
How lovely the feelings are
All the tender love you've given to me
I want you more and more
Can resist the warmth when I feel your touch
Tender love, share with me straight from the heart
Please let me be apart
All the tender love you've given to me
Tender love, love so tender
Holding me close to you, lady I surrender
Candles they light the dark, now I see
How lovely the feelings are
All the tender love you've given to me
Every time I hold you it's like the first time
And every time I think about you, I just lose my mind
This is an everlasting love that will always stand the test of time
You're a priceless jewel, you're my only girl, you're my tender love
I can't resist your tender love
You know how much it means to me
Just let our bodies intertwine
Tonight is your night
I wanna make it so right
