

An Cafe (Antique Cafe), Maple Gunman

The coming and going noises in the city attack my head Are you, who is grieving acting like you're
1.2. go bring out your courage lets stick out our chests And lick that maple syrup you like
I look around at my surroundings and get left behind Even though I don't know the circumstances c
Reset the value's mental data and let's accelerate and fly
Recall when you were innocent The time when you ran not knowing fear

[get a gun]

Shoot away shoot away Break apart

Shoot away shoot away The limit's shell

Shoot away shoot away Aim and hit it Aim for your cowardly heart

you go

You shake with the knife hidden away in the insides Even if you put the feelings that can't be said i

If you're only shouting and wriggling You're an adult baby that can't wipe your own butt

Instead of drowning in yesterday that you can't go back to Swim in tomorrow that you can't predict

[get a gun]

Shoot away shoot away Bravery

Shoot away shoot away Aim and hit

Shoot away shoot away The glory Aim for the shining future

you go

Being timid is [Bad] tears [Stop] its boring if theres no thrills If you can't laugh and you hate people,

The rising expectations is at the climax Open the map and where shall we go? If we don't go to som
