Even now I have not forgotten
The time when we were young
Everyday was fun
And all I saw, was you.
The first time I played with you,
was at the sandbox where we built a castle.

I was always crying.
But towards me,
you approached near
and gave me a smile.

Bloom.
Let our flower bloom.
In those times,
I wasn't able to tell you
how much I was lacking in courage.
Bloom.
Let our flower bloom now.
I will never forget
your gentleness
or my memories of you.
Bloom.
Let our flower bloom. and
LALALALA~n LALA
LALALALA~n LALA

now it blooms proudly.

Thank you. For giving me your gentleness like this.

Thank you. I'm sorry for being late because of things like reasons.

Bloom.

Even now, even before,
nothing will change.

I still think of you.

Bloom.

Let our flower bloom now.

I will never forget
your gentleness
or my memories of you.

Bloom.

Let our flower bloom.

It's thanks to you
that I'm currently always singing with vigor and liveliness.

Bloom.

Let our flower bloom. and

LALALALA~n LALA

LALALALA~n LALA

now it blooms proudly.
