I send this to you, The cooking class of love
Today's menu is sweet, It's pudding whipped with a funny prr prr
Put an egg yolk in a bowl and beat it well, After that blend
Flour, sugar and vanilla extract. Whip it, whip it, tenderly whip it

"Blend it properly, because it has eggs"
"That's right, until it becomes a paste, blend it"

(Mix and blend your pudding)

Severely whipped high-quality pudding, My favorite pudding
Whip it up and down, tenderly whip it. Once in a while, violently whip it
Severely whipped high-quality pudding, My favorite pudding
Raise your tongue, entangle it, Melt the caramel sauce.

Next, put milk in a pot, Simmer it over a medium fire and then cool it
After that put the paste from earlier in and melt it, melt it, skillfully melt it
When it becomes a cream put it in a bowl, Let it cool in the fridge and you're done

(Did you pour the caramel sauce?)

Big pudding, little pudding There are many kinds of pudding
Even so, I like them all, I love them, The funny King of Pudding
Let me eat your pudding, Bring it to me provocatively
I will be enchanted with it in my mouth, Your warmth and offering
