ENGLISH:

Kawayu's oc
words: Mikumusic: Antic Cafe

Even if you put on a fancy coat
You can't cover up this boring stupid-ism

An OMG-like lie is an infamous see-thru

suck!!

Go away sucky boys

So what about personality? So what about being special? They just repair it with enchanted words
Do you want me to use Kawayu's oc to peel off the fragile decorations that are only mere words
and then throw it out for you?

suck!!

Go away sucky boys

The destination of the gun point is still undecided, but they kill with random shootings of early summer
West changes to East and North changes to South, common sense is my natural enemy
So what about personality? So what about being special? They just repair it with enchanted words
Do you want me to use Kawayu's oc to peel off the fragile decorations that are only mere words
and then throw it out for you?
