

# Ana Andrzejewska, Yes To Love

Running in the rain  
counting every step  
I think it's time to fall in love

reaching for the best  
talking to myself  
my heart bits so fast

it's no ...  
that everyone are hard  
once there one have  
no one else  
it's no ...  
that everyone are hard  
once there one have  
no one else

I want touch the sky  
taste unrealized  
I've heard it's like reian we don't see

it's no ...  
that everyone are hard  
once there one have  
no one else  
it's no ...  
that everyone are hard  
once there one have  
no one else
