

Ana Johnsson, Falling To Pieces

Try to find a way to figure out
What's holding me down
And it tears me apart now
Tired of the weight I drag around
Slowly breaking, I'm fading away

Stumbling blind, I need some peace of mind
so...

Won't somebody come around and save me
I'm out here alone
Falling to pieces
I'm standing on the edge now
Can you hear me calling
Coz I'm falling to pieces

Searching for a place where I belong
I'm caught in between
Every right's gone wrong now
Waiting for the day I see the sun
And I'm reaching, am I reaching in vain?

Stumbling blind, give me some peace of mind
so..

Won't somebody come around and save me

I'm out here alone
Falling to pieces
I'm standing on the edge now
Can you hear me calling
Coz I'm falling

Somebody, come save me now
I'm calling, just help me right now, right now

Waiting for the day I see the sun
Slowly breaking
So...

Won't somebody come around and save me
I'm out here alone
Falling to pieces
I'm standing on the edge now
Can you hear me calling
Coz I'm falling
Falling to pieces...

Yeah yeah
Yeah yeah

I'm falling to pieces
