## Ana Johnsson, L.A

All the roads lead to L.A. The place to meet jesus And make friends with Mary-Jane If you've got music on your brain Well here's the right place To get into a game Cause we all want the same Yeah we all want the star with your name All the raods lead to L.A. You worshippers of sunshine You seizer's of the day If you've got something to say Here's room for everyone Black, white, straight or gay Cause we all want the same Yeah we all want the star with your name Yeah all the roads lead to L.A. Let's drive into the desert And dance the night away Do you remember how to play? Wake up the kid inside you And catch the next wave Cause we all want the same Yeah we all want the star with your name Welcome to L.A. La-la-la...
