

# Anacrusis, A World To Gain

[Lyrics by K. Nardij]

Searching to find an easy way out  
People afraid to speak up, afraid to doubt  
Afraid to open their eyes for fear they might find  
What the problem's about...is us

As long as we keep running away  
There is no hope, nothing will change  
The problems at hand are the ones we must face  
We've got nothing to lose  
And a world to gain

Starving inside the hunger of one  
Willing to help do, this, what must be done  
We're wasting our time  
Searching for ways to escape  
There will be nowhere to run  
From ourselves, now

As long as we keep running away  
There is no hope, nothing will change  
The problems at hand are the ones we must face  
We've got nothing to lose  
And a world to gain

Far too real, worse than a lie  
You couldn't face, the truth inside

One heart lonely and small  
To carry the weight of the world  
If you and I could take it upon ourselves  
To open our eyes to what it could be  
We'd be free

As long as we keep running away  
There is no hope, nothing will change  
The problems at hand are the ones we must face  
We've got nothing to lose  
And a world to gain

A dangerous faith, it's silence that kills  
It's eating at me, I'm haunted still
