

Anal Cunt, I'm Glad You Got Breast Cancer, Cunt

guys used to always buy you drinks
and they'd always kiss your ass
now you just have one tit
ha ha you stupid cunt

i always hoped you'd get a.i.d.s.
but breast cancer will do
now you've just got one tit
but you used to have two

a drunk guy tried to feel you up
but there was nothing there
so he punched you in the teeth
and stole your money, cunt

i always hoped you'd get a.i.d.s.
but breast cancer will do
now you've just got one tit
but you used to have two
