

Anal Cunt, Limp Bizkit Think They're Black, But T

Fred Durst is a fucking faggot
He thinks he's black, but he's just gay
He cancelled a show cuz he sprained his ankle
He's also a fucking midget

[Chorus:]
You're not fucking black, you're just fucking gay (x2)
You're fucking gay

The guitarist wears a mask
To hide the cum stains on his face
They're the gayest band I've ever seen
And I've seen the Culture Club live

[Chorus]

Fred wears a hat to hide his baldness
I refuse to believe blacks think he's cool
I wish he'd beaten and raped by some black guy
And see if he still wants to be black
