

# Anal Cunt, Obviously Adopted

You P.C. fucking faggot  
You're trying to win an oscar for adoption  
I hope your kids kill you and rape your wife  
Amistad is the stupidest movie I've ever seen

[Chorus:]

Obviously adopted, obviously adopted, obviously adopted, fuck you Spielberg [x2]

How come all the black extras and slaves  
Had names, but the white ones didn't  
I fucking hate you and your gay movies  
Amistad was an excuse to bully your way to an oscar
